Subject: question about CARB staff travel to AQTF meetings

Hi Fernando and Ryan,

I hope you and your families are doing well and staying healthy.

We're working through the list of projects CARB submitted for CAA 105 monies for US/MX border work. Just one question on the \$5K earmarked for staff to attend the AQTF meetings in Imperial/Mexicali and San Diego/Tijuana. If we are unable to fund this, is it likely you'd be able to find travel funds from your division or other CARB sources? Lizzy mentioned that she's able to fund her travel through an AQPSD account. We're having to make some difficult decisions about projects because of availability of funds, but of course CARB participation in these meetings is crucial. Please let me know if you have thoughts.

Sending lots of good wishes your way. Take care,
Laura
